50 Mile Canoe Trip 2018

Sign-up sheet

What: 50 Mile, 5 day Canoe Trip for Troop 81
When: June 24 – 29, 2018
Where: Grimes Canoe base, near Linden, TN
Cost: \$175

We will travel as a group from the church on Sunday June 24 and returning June 29. Our base camp will be the Grimes Canoe base Scout camp which is part of the Middle Tennessee Council and located South West of Nashville, near Linden, TN.

The Scout camp will provide the shuttle service for transporting the troop, gear and canoes up river on Monday morning. They will pick us up down-river on Friday at the completion of the trip. We will camp as a troop in our own tents all week, including Sunday, Wednesday and Thursday nights at the Grimes Canoe Base Scout Camp. The other nights will be at pre-designated locations on the river coordinated by the Scout Camp which are used during the summer by groups taking this trip.

Troop 81 needs to make a payment in January to the Grimes Canoe Base to confirm our intention to send our scouts on this trip. To help facilitate this activity, the following fee payment schedule was established. At any time, you can pay for future amounts as these dates listed are the deadlines for each phase. Please turn in this form at the Jan. 8 Troop meeting, so we can get a count of who can attend this trip and continue the planning activity.

Your scout may also have a balance in his scout account. If he would like to use the scout account rather than turn in a check for part or entire payment item, please let us know.
