For Scouts who have yet to earn First Aid Merit badge, you will want to take it this summer. Many other merit badges have a requirement that First Aid Merit badge be complete as part of the requirements, so completing it is key to further merit badge completion.

If you have not taken Swimming merit badge, we suggest that you wait for another year, as the water at Camp Daniel Boone is quite cold.  
( Cycling or Hiking can substitute for Swimming as Eagle required )

When you plan your merit badge classes, we encourage you to focus on the Eagle Required merit badges, as the elective ones can be earned during your scouting career. In addition to Eagle required badges, you will want to pick one or two which are fun or you have an interest to know more about the subject.

X- is the Time the Merit Badge will be offered

### Goin' Great Morning Session

The Morning session, which will take place from 9:00am-11:50am, is designed for scouts with little to no scouting experience that would benefit from a slower paced learning schedule. This session will **focus mainly on mastering Tenderfoot and Second-Class Skills**, while also introducing and practicing First Class skills.

### Goin' Great Afternoon Session

The afternoon session, which will take place from 1:30pm-3:50pm, will operate on a slightly faster paced schedule than the morning session, and is designed for your troop's new scouts that have had some past scouting experience. Campers in the Afternoon session **will mostly focus on Second Class and First-class skills**, while also thoroughly reviewing the Tenderfoot requirements. \*We suggest that scouts that have completed the Arrow of Light attend the afternoon session.
