Sign-up sheet

What: Summer Camp 2019 for Troop 81

When: July 7 – 13, 2019

Where: Camp Daniel Boone near Canton, NC { Scouts are looking forward to cooler weather in mountains }

Cost: \$340 (a few of the merit badges have extra fees for supplies)

Troop 81 needs to make payments starting January 2019 to the camp to demonstrate our intention to send our scouts to the camp. To help facilitate this activity, the following fee payment schedule was established. At any time, you can pay for future amounts as these dates listed are the deadlines for each phase. Please turn in this form at the Dec. 3 Troop meeting, so we can assist the Scouts to reserve their places for the merit badge classes. Merit badges will be selected in March so we can register in April.

Your scout may also have a balance in his scout account. If he would like to use the scout account rather than turn in a check for part or entire payment item, please let us know.

Make checks out to "Troop 81" and write "summer camp" on the memo line. Turn in this sheet along with your \$20 check to the Troop Scribe at Dec. 3 Troop meeting.

Troop 81's long standing policy not to deny a scout due solely to financial reasons. If this fee imposes a true hardship on your family, speak with the Scoutmaster about a camp scholarship. Such limited scholarships are available on a "matching funds" basis up to, but not exceeding, 50% of the camp fee.

Youth Fees: The following merit badges classes/activities will have additional fees: Archery, Basketry, Leatherwork, Woodcarving, Space Exploration, Rifle, and Shotgun. Refer to the Merit Badge Quick Reference Chart when released.
