

Colton Coughlin's Eagle Project

Painting at the American Legion

Current Date for project is on March 7

If the weather is bad, March 14 is my alternate date

Address: 224 Waters Rd
Maryville, Tn 37803

Project Overview

For my project I will be painting wood on two baseball dugouts, one storage building, and one bathroom. This will help to make the wood last longer so the American legion doesn't have to replace the wood sooner.

Project Details

For this project I would like at least 5 scouts to come. We will have the paint and most on the painting supplies, but you are welcome to bring your own paint brush or roller. The project requires prep work prior to painting. The arrival time will be between 8:30 and 9:00 a.m. Lunch and drinks will be provided.
