Troop 81 needs to make payments starting November 2015 to the camp to demonstrate our intention to send our scouts to the camp. To help facilitate this activity, the following free payment schedule was established. At any time, you can pay for future amounts as these dates listed are the deadlines for each phase. Please turn in this form at the Dec. 7 or the Jan 4 Troop meeting, so we can assist the Scouts to reserve their places for the merit badge classes.

Your scout may also have a balance in his scout account. If he would like to use the scout account rather than turn in a check for part or entire payment item, please let us know.

Troop 81's long standing policy not to deny a scout due solely to financial reasons. If this fee imposes a true hardship on your family, speak with the Scoutmaster about a camp scholarship. Such limited scholarships are available on a "matching funds" basis up to, but not exceeding, 50% of the camp fee.

Youth Fees: The following merit badges classes/activities will have additional fees: Automotive Maintenance, Archery, Basketry, Cooking, COPE, Leatherwork, Woodcarving, Space Exploration, SUBA, various motorized water sports, Shotgun, Rife. Refer to the Merit Badge Quick Reference Chart when released.
