What: Summer Camp 2026 for Troop 81

When: June 7 – 13, 2026

Where: Camp Daniel Boone near Canton, NC { Scouts are looking forward to cooler weather in mountains }

Troop 81 needs to make payments starting January 2026 to the camp to demonstrate our intention to send our scouts to the camp. To help facilitate this activity, the following fee payment schedule was established. At any time, you can pay for future amounts as these dates listed are the deadlines for each phase. Please turn in this form at the Jan. 12 Troop meeting, so we can assist the Scouts to reserve their places for the merit badge classes. Merit badges will be selected in March so we can register in April.

Your scout may also have a balance in his scout account. If he would like to use the scout account rather than turn in a check for part or entire payment item, please let us know.

Make checks out to "Troop 81" and write "CDB Summer Camp" on the memo line. Turn in this sheet along with your \$100 check to the Troop Scribe at Jan 12 Troop meeting.

Troop 81's long standing policy not to deny a scout due solely to financial reasons. If this fee imposes a true hardship on your family, speak with the Scoutmaster about a camp scholarship. Such limited scholarships are available on a "matching funds" basis up to, but not exceeding, 50% of the camp fee.

Youth Fees: The following merit badges classes/activities have typically had additional fees: Art, Basketry, Cooking, Leatherwork, Woodcarving, Indian Lore, Salesmanship, Space Exploration, Archery, Rifle, Shotgun, Horsemanship and Animal Science. Refer to the Merit Badge Quick Reference Chart when released to see the additional fees.
