

Summer Camp 2021

PRECAMP MEETING: A mandatory meeting for all scouts attending summer camp and their parents will be held on Monday, June 7, at 7:15 PM at the church. If you are unable to attend this meeting, contact the scoutmaster as soon as possible for important information.

SUMMER CAMP DATE: Troop 81 will attend summer camp at Robert W. Woodruff Scout Reservation from Sunday, June 20 through Saturday, June 26, 2021.

WHERE: Located near Blairsville in North Georgia, Robert W. Woodruff Scout Reservation is a 1575-acre camp property adjacent to Lake Notley and the Chattahoochee National Forest. The beautiful North Georgia Mountains surround most of the camp. Woodruff offers a spectacular 86-acre mountain lake, excellent facilities, heavily wooded campsites, and great hiking trails. Scouts have the opportunity to enjoy camp or visit the nearby Nantahala or Ocoee Rivers for whitewater rafting or tubing. The Appalachian Trail and Cohutta Wilderness are close at hand.

TRANSPORTATION: Parents are responsible for transporting their son and his gear to and from Woodruff Scout Reservation. The driving distance from Maryville is 121 miles and the driving time is approximately 2 hours, 48 minutes. We strongly encourage carpooling among scout families. Please refer to map and directions located in this booklet.

ARRIVAL: Arrive at the camp between 2:00PM and 2:30 PM on Sunday, June 20. Scouts should wear their uniform (with neckerchief) because a troop photograph will be taken upon arrival. The troop will transport your son's gear to our campsite. Eat lunch before you arrive – the camp does not offer lunch on Sunday.

TENT ASSIGNMENTS: Your son, and his tent mate, will have an assigned tent before their arrival. Once in the campsite, look for his name posted on the tent. If your son wants to change tents, the Scoutmaster will have to approve.

DEPARTURE: Scouts will be dismissed after the campsite inspection on Saturday morning, June 26. Parents, plan to arrive at camp no sooner than 10:00 AM to pick up your son. **Early Departures:** Once a boy has checked into the summer camp program, he is not authorized to leave the camp property except in emergency situations, and with proper verification and authorization. Emergency situations which may cause a request for “early release” include illness, family emergencies, or unavoidable outside activities. An authorizing form signed by the parents, scoutmaster, and camp is required.

ANNUAL HEALTH AND MEDICAL RECORD: Annual Health and Medical Records are required for all campers and **MUST** be signed by a licensed physician. For summer resident camp (which exceeds 72 hours), parts A, B and C must be completed. Health forms should provide specific instructions regarding emergency contacts that can be reached, where and at what time. This is very important. **Important Note:** Each camper and leader should have his or her personal health/accident insurance carrier, company, and policy number printed on his or her health and medical form. Include a photocopy of your health insurance card (front & back) and attach as an extra page along with the Health & Medical Record parts A, B, C.

PRESCRIPTION MEDICATION: If your son is taking any prescribed medication, complete the Prescribed Medication Dosing Form (located in this booklet) for each prescription drugs. The medication, dosage, and dosage schedule should be recorded directly from the prescription. All medication should be in a container issued by a pharmacist with the medication name and strength, the dose and dose frequency clearly marked on the container. Generally, all medication will be dispensed in the unit area by a responsible adult leader for the unit. **Important Note:** If the Annual Health and Medical Form indicate that an individual must have an inhaler, EpiPen® or similar medical device, the health officer must confirm that the individual has the required item(s) in their possession. If the items are not in possession of the camper or leader, they must either obtain the items indicated on the form or the individual will be required to leave camp.

WRISTBANDS: Each weeklong camper will be issued a colored wristband to wear throughout the stay. The wristband allows the scout free access to the dining hall. **DON'T REMOVE THE WRISTBAND** until the scout depart camp!

HEALTH LODGE: The Health Lodge has several qualified Health Officers and medical equipment to handle all minor injuries, scrapes, bruises, etc. Any person with a serious injury or severe illness will be taken to the emergency room of the local hospital. The camp has made prior arrangements for handling emergencies.

EMERGENCY CALLS: Your son can be reached in an EMERGENCY by calling (706) 745-2700. (FAX: (706) 835-2823) This is the Camp office and usually has an answering machine when the office is unattended.

CAMP ADDRESS: One of the highlights at camp is "Mail Call!" Please send your letters **EARLY** in the week to this address:

Woodruff Scout Reservation
"Scout's Name"
GSMC Troop # 81 Week # 3
31 Woodruff Drive
Blairsville, GA 30512

SWIM CHECK: Each Scout will take a mandatory swim check on Sunday afternoon to classify his swimming proficiency. Non-swimmers will be excused from this swim test and will be enrolled in a beginner's class. Buddy tags will be issued at this time.

TENTS: All campers and leaders are housed in 9'x7' BSA canvas wall tents. The tents are set on permanent wood platforms with tubular steel tent frames. Each tent is equipped with two folding cots. In general, tents are arranged in groups of four with a patrol tarp and table. On occasion, some tents may be placed on temporary platforms.

To compliment the cots supplied by Woodruff, the Scouts bring some additional items for their tent. Each tent is required to have a tent sign, wastebasket (not a plastic bag), whiskbroom, individual laundry bags, clothesline with pins (put your son's name or initial on clothes pins), Optional items may include battery powered lamp, bunk-side tables, alarm clock, or even carpet! This is your son's home for a full week, so make it comfortable!

Platform Tent with cots

Scouts may want to also bring a Hammock to hang between trees near their tent. Hammocks may be used as an alternative to tent camping. Some Scouts will use their hammock during the day and others may decide to add a tarp and use it as an alternate to sleeping in the cot in the tent.

Guidelines for hammocks camping are:

- Hammocks must hang in secure locations, such as on trees or solid posts.
- Hammocks should never be hung from pavilions or buildings.
- Never stack hammocks one above another.
- Hammocks should not be hung such that the lowest point is more than 3 feet above the ground.
- Woodruff requires the use of a "tree strap" or other band wider than 2 inches for securing your hammock to trees.

TENT INSPECTION: Each tent is inspected daily and scores given for neatness and conformity. Refer to the tent inspection checklist within this booklet. The occupants of the tent with the highest total score will each be awarded at the annual awards ceremony in the Fall.

TENT SIGN: Each tent must have a wooden sign on the front center pole indicating the occupants' names. In addition, each tent is given a clever "name." Signs will be judged by the Camp Director for best artistic and best BSA theme. Wood for signs is provided by the troop. Signs from previous years are not allowed.

UNIFORMS:

During the day and most nights after dinner, the activity uniform is appropriate. This is shorts or slacks and a scout related t-shirt of some type. Troop 81 scouts are encouraged to wear their red Phoenix shirts. If the scout does not have enough scout t-shirts, then any appropriate t-shirt that does not display obscene, lewd or otherwise offensive messages will be okay. Each scout is required to have a laundry bag for his dry dirty clothes. Wet clothing must be dried on a clothesline before they're placed in a laundry bag. Uniform for dinner and campfires is full scout uniform (Bring your neckerchief for the photo.) When not worn, uniforms will be displayed on a hanger in each scout's tent.

Footwear: Shoes must be worn at all times at camp. Shoes must not be open at the toe or sides. Sandals are allowed only at the showers. We do not allow Croc's outside the waterfront and camp shower areas.

WRISTWATCH: The camp is operated on a tight timetable so your son will need an inexpensive wristwatch (Don't rely on the clock on a cell phone). Also, Troop 81's curfew is strictly enforced at 9:00 PM. Curfew violation could result in denial of privileges or additional duties.

CLEANLINESS: Cleanliness and personal hygiene will be stressed and enforced throughout the week. Campsite washstands and hot camp showers are available. If necessary, clothes can be washed in camp and dried on a line.

INSPECTIONS: Troop 81 reserves the right to conduct unannounced inspections of a scout's personal belongings if contraband is suspected.

IDENTIFICATION: All personal items *must* be clearly marked with the Scout's name and troop number. Unmarked gear gets lost permanently. Use a permanent waterproof marking pen. If your gear is expensive and valuable...leave it at home!

FOOTLOCKERS: We request a footlocker be used by each Scout for storing his gear. Such footlockers are of adequate size for a week's worth of clothes, most are rainproof, they're securable (combination locks recommended), and they also make for a convenient worktable or chair. Footlockers can be purchased at Wal-Mart, Home Depot, or Lowe's and later become your son's Boy Scout chest to store all his scout gear. Note: Scouts are encouraged to provide the Scoutmaster with an extra footlocker key or combination number. (bring combination or spare key to pre-camp meeting)

MEALS: All meals are prepared and served in the camp's dining hall. Your son *will* serve on KP duty while at camp and we're always careful to assign at least one older scout at each meal to supervise younger scouts. Troop 81 adults constantly monitor the food consumption by our boys to alert us when a scout is eating too much junk food from the trading post.

PARENT'S NIGHT AT CAMP: Friends and family are invited to visit their Scouts on Friday afternoon to enjoy camp fellowship. Parents are encouraged to stay for supper, which begins at 6:00 PM. The meal will be a picnic meal, served in "to go" boxes from the Dining Hall porch.

For those desiring to eat scrumptious camp food at Woodruff, a \$6.00 meal fee will be charged for all guests and they will eat with their respective units. **Tickets for the meals must be prepaid by noon on Wednesday** to assure that there will be sufficient food available. After supper, everyone is invited to stay for the final campfire and a farewell until next summer

VISITOR MEALS

Meals for visitors in camp are available. The cost is \$6.00 per meal. Please notify the Camp Operations Director in advance (early during your camp week) so that enough food can be prepared.

ILLNESS: The most common ailment experienced by campers is a typical "belly ache" usually caused by eating too much junk food purchased at the trading post. Another common ailment usually occurs later in the week due to the boy's unwillingness to have a bowel movement. Even though the toilet facilities at camp aren't like home, it's very important for your son to keep his regular schedule while at camp.

COVID-19 Precautions: Camp Woodruff is taking reasonable precautions and has plans in place to reduce the possibility for the spread of COVID-19. Each Troop will have training for Hygiene and COVID-19 Social Etiquette after check-in on Sunday.

For the full information, please refer to the following link:

<https://www.campwoodruff.org/files/36602/wsc-covid-plans>

HOMESICKNESS: Homesickness can ruin a boy's camp experience. Despite our busy schedule and activities, homesickness occasionally occurs. Parents can help effectively by having a firm understanding with their son that leaving camp early is not an option. Statistics show if he leaves, he probably will never come back to scouting.

INSECT, SPIDERS, and other CREATURES: The woods are full of critters that live in the outdoors. We'll be living in the woods for six days...and we won't be alone. We'll be sharing the woods with squirrels, lizards, mice, spiders, deer, snakes, gnats, opossums, mosquitoes, chipmunks, ants, skunks, ticks, and many other such animals. Most of these critters are frightful of people. Those who are not are easily repelled by DEET, an active ingredient in the better insect repellents. (Avoid an aerosol insecticide which destroys a tent's waterproofing.) Note: The discovery of an imbedded tick is not a medical emergency will be removed by the Health Lodge doctor during normal operating hours. To avoid nighttime tent visitors (skunks, raccoons, mice, squirrels, chipmunks, opossums), make sure *all* candy, snacks, chips, etc. (*anything* that has an aroma) are not left out. Such items should be kept in airtight Ziploc bags and stored in your footlocker.

INCLIMATE WEATHER: Camp Woodruff has an emergency contingency plan for weather related emergencies to include severe thunderstorms, lightning, floods, tornados, and even earthquakes. A comprehensive accountability action plan will quickly ensure all campers are accounted for in the case of an emergency.

FISHING: The camp’s 86-acre lake is stocked with bream, crappie, and bass which offer good fishing for the Fishing Merit badge. A fishing license is not required. Bring your own rod and tackle and make sure your name is on all your gear.

RIZOR TRADING POST: Woodruff has a fully stocked Trading Post, carrying a large variety of Woodruff T-shirts and memorabilia, uniform parts (limited selection), personal & camp equipment, handicrafts, gift items, Woodruff logo items, and lots of neat stuff. The Trading Post also offers a full line of snack items, fountain drinks, ice cream, candy and more. The Trading Post is located at the Razor “Heart of Camp Building” directly across from the Woodruff Dining Hall. The average camper spends \$50 while at Camp Woodruff.

At Woodruff, the only classes that charge additional fees are Basketry, Leatherwork, Space Exploration and Wood Carving which require a kit to be purchased for completing required projects. Recommended budgets are noted on merit badge listing pages in the 2021 Woodruff Program Guide. All kits are available in the Trading Post.

TROOP PICTURES: You are encouraged to wear a complete field uniform to camp. A troop photo is generally taken during arrival on Sunday. It is delivered on Friday evening checkout. Camp Woodruff will give each unit **one** troop picture which can be later copied.

WAIVERS: Whitewater and horseback activities require a signed waiver by the scout’s parents (if under 18) or the individual participant (if over 18) prior to arrival at camp. The Waiver and Release of Liability form is located in this booklet. Have this form ready to turn in at the meeting on June 7.
