## Summer Camp 2024

### Sign-up sheet

What: Summer Camp 2024 for Troop 81  
 When: June 30 – July 6, 2024  
 Where: Camp Woodruff near Blairsville GA  
 Cost: \$425 ( a few of the merit badges require a craft kit )

On October 16, the Scouts took a vote and as a result, Camp Woodruff was selected.

Troop 81 needs to make payments starting November 2023 to the camp to demonstrate our intention to send our scouts to the camp. To help facilitate this activity, the following fee payment schedule was established. At any time, you can pay for future amounts as these dates listed are the deadlines for each phase. Please turn in this form at the Dec. 4 Troop meeting, so we can assist the Scouts to reserve their places for the merit badge classes. Merit badges will be selected in March so we can register in April.

Your scout may also have a balance in his scout account. If he would like to use the scout account rather than turn in a check for part or entire payment item, please let us know.

Make checks out to "Troop 81" and write "summer camp" on the memo line. Turn in this sheet along with your \$20 check to the Troop Scribe at Dec. 4 Troop meeting.

Troop 81's long standing policy not to deny a scout due solely to financial reasons. If this fee imposes a true hardship on your family, speak with the Scoutmaster about a camp scholarship. Such limited scholarships are available on a "matching funds" basis up to, but not exceeding, 50% of the camp fee.

**Youth Fees:** At Woodruff, the only classes that charge additional fees are Basketry, Leatherwork, Space Exploration and Wood Carving which require a kit to be purchased for completing required projects. All kits are available in the Woodruff Trading Post.
