Summer Camp 2020

Sign-up sheet

What: Summer Camp 2020 for Troop 81

When: June 21 – 27, 2020

Where: Camp Woodruff near Blairsville, GA { Scouts are looking forward to Aquatics on the private lake }

Cost: \$360 (a few of the merit badges have kits to purchase at camp)

Troop 81 needs to make payments starting January 2020 to the camp to demonstrate our intention to send our scouts to the camp. To help facilitate this activity, the following fee payment schedule was established. At any time, you can pay for future amounts as these dates listed are the deadlines for each phase. Please turn in [this form](#) at the Dec. 2 Troop meeting, so we can assist the Scouts to reserve their places for the merit badge classes. Merit badges will be selected in March so we can register first week of April.

Your scout may also have a balance in his scout account. If he would like to use the scout account rather than turn in a check for part or entire payment item, please let us know. The next opportunity to earn money for your Scout account will be to sell tickets for the Pancake Breakfast on January 25. The Scouts earn 100% of their Pancake Breakfast ticket sales for their Scout Account.

Make checks out to "Troop 81" and write "summer camp" on the memo line. Turn in this sheet along with your \$20 check to the Troop Scribe at Dec. 2 Troop meeting.

Troop 81's long standing policy not to deny a scout due solely to financial reasons. If this fee imposes a true hardship on your family, speak with the Scoutmaster about a camp scholarship. Such limited scholarships are available on a "matching funds" basis up to, but not exceeding, 50% of the camp fee.

**** Youth Fees:** At Woodruff, the only classes that charge additional fees at camp are some in the handicraft area and Space Exploration. Even then, the camp sells those kits through the Trading Post "at near cost".
